

## IMPACT: Highlights from MnTAP's 2016 Annual Report

### STRENGTHENING MINNESOTA'S ECONOMY

Helped **279 companies**  
—from single owner to Fortune 500—  
optimize business performance

Added **\$1.38 million** to the  
bottom line of 56  
businesses and provided  
tips with the potential to  
save a total of \$2.2 million  
when implemented

Strengthened Minnesota's  
workforce by training **14 engineering  
interns** to find waste, water, energy and  
cost savings at **20 host companies**

### PRESERVING MINNESOTA'S ENVIRONMENT

Encouraged companies to implement  
strategies to save **45.3 million gallons  
of water** through reuse, process  
optimization and equipment upgrades

Discovered opportunities for  
companies to reduce energy use by  
**1.7 million kWh & 42,000 therms** by  
optimizing compressed air use and  
other critical operations

Motivated companies to divert **1.4 million  
pounds of waste** by implementing the  
3 Rs: reduce, reuse & recycle

Minnesota Technical Assistance Program  
strengthens Minnesota business by  
lowering costs through raw material, water  
and energy optimization
